LABOR AND THE RULE OF RIGHT.

The working people of America—if they must be distinguished from the minority that constitutes the rest of it—are, of course, the backbone of the nation. No law that safeguards their life, that improves the physical and moral conditions under which they live, that makes their hours of labor rational and tolerable, that gives them freedom to act in their own interest and that protects them where they cannot protect themselves can properly be regarded as class legislation or as anything but as a measure taken in the interest of the whole people, whose partnership in right action we are trying to establish and make real and practical. It is in this spirit that we shall act if we are genuine spokesmen of the whole country.—From Woodrow Wilson's Speech Accepting the Democratic Nomination.

Politics of a local nature began to boil in Boyle this week. Three candidates announced for the democratic nomination for sheriff, at one and the same time. They are G. T. Helm, Dick Bruce, and Clark Harberson. The Interior Journal would say to them as it says to Lincoln county candidates: See who can do the most work for the democratic national ticket in November. The candidates who work the hardest for Woodrow Wilson are ones that the voters should support next year. Let's not hear anything of county races until we have elected the president.

Wave is Seen in Vermont

White River Junction, Vt., Sept. 3.—The Progressives and the Democrats won the honors in the Vermont State election today, for although the Republicans carried the state on a plurality vote, there was no election by a majority vote, and the choice of a Governor was thrown into the Legislature. There the Republicans will have a sufficient majority to elect Allen M. Fletcher, and the remainder of the state ticket. The vote for the five candidates for Governor from all the six cities and from 21 out of 240 towns was: Allen M. Fletcher, of Cavendish, Republican, 23,602.
Harland B. Howe, of St. Johnsbury, Democrat, 18,250.
The Rev. Frasier Metzger, of Randolph, Progressive, 14,222.

Stimulant or Tonic?

Ayer's Sarsaparilla is not a stimulant. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. Ayer's Sarsaparilla is a tonic. You have the steady, even gain that comes from such a medicine. Ask your doctor all about this. Trust him fully, and always do as he says. He knows.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Ask him first, that's best. Made by the J. C. AYER CO., Lowell, Mass.
